

3rd INTERNATIONAL MARK ROTHKO COMPETITION  
OF YOUNG PERFORMERS OF MODERN MUSIC

APRIL, 2025, DAUGAVPILS, LATVIA

Izcilais Daugavpilī dzimušais mākslinieks Marks Rothko klausījās klasisko mūziku, īpaši viņu uzrunāja Mocarta skaņdarbi. Māksla tāpat kā mūzika paralēlēs vai krustcelēs veido mūsu vidi, paver durvis uz savu maņu izzināšanu. Lai jaunie mūzikas talanti rod saknes kultūras mantojumā savu skaņdarbu radīšanā, interpretēšanā un atskaņošanā.

The great artist Mark Rothko, born in Daugavpils, had a deep appreciation for classical music—Mozart’s compositions, in particular, spoke to him. Just like music, art has the power to shape our world, whether through harmony or contrast, guiding us to explore and deepen our senses. May young musicians find inspiration in their cultural heritage as they create, interpret, and bring their compositions to life.
